

CLINICAL RESEARCH DIVISION

Dr. Myat Tin Htwe Kyaw
MBBS, MMedSc (Microbiology) (UM1), PhD (Japan)

1. Historical Background

It was established in 1963 as Haematology Research Division. First appointed head of the division was Professor Dr. Aung Than Batu. The division was later known as Haematology and Clinical Research Division, and renamed as Clinical Research Division in 1982. First appointed head of the Clinical Research Division was Dr. Khin Maung U. It is primarily involved in research activities on communicable diseases such as acute respiratory infections and dengue hemorrhagic fever, and non-communicable diseases with emphasis on diabetes mellitus, cancer and snake bite.

2. Former Heads

Sr. No	Name	Degree	Year (From-To)
